

LINE-UP®

Line-Up® Athletic Field Striping Paint is a quick-drying paint specifically formulated for striping lines on grass fields, cinder, dirt and other natural playing surfaces. Line-Up Athletic Field Striping Paint will not stain clothing with rough use, making it ideal for use on football, soccer, baseball and golf courses. These products are available in many popular athletic team colors. All colors feature the non-clogging spray tip and is complemented by bulk paint for complete versatility.

- ✓ Crisp, sharp stripes
- ✓ Won't harm grass
- ✓ High Solids
- ✓ One-coat coverage
- ✓ Non-clog spray tip
- ✓ Minimal dry time

APPLICATION

APPLICATION CONDITIONS

Use when can is between 70-80°F. Shake can vigorously for one minute after mixing ball rattles and occasionally during use. Remove cap, invert can and slide into Striping Machine can holder. To spray, squeeze trigger and release to stop. Spray only when machine is in motion. Ideal for use with K08350 Athletic Field Striping Machine. 10" wheels make it ideal for grass, dirt or any uneven surface. All Striping Machines are engineered and designed for easy maintenance with 18-gauge, all-steel construction and are equipped with 12-can storage. Create professional striping results in widths of 2"-4" on any ground surface. Also suitable for use in K08340 Pavement Striping Machine (7" wheels).

CAUTIONS
