- Disc brake pads
- Discs

SPECIALTY PRODUCTS

APPLICATION

Use in a well ventilated area. Hold container upright 10 -12" from surface. Spray surface to be cleaned until all grease and dirt are thoroughly wet. Wait a few minutes for soaking and then wipe with a clean rag. A second application may be needed. For best results, use at room temperature (70°F.)

PERFORMANCE

- Accu-Force™ Spray delivers increased cleaning power
- Equipped with extension tube for tight tolerances
- Non-flammable
- Excellent degreasing properties
