Product Description:

White Lightning® SEASON SEAL™ is a temporary sealant that provides a clear, weather-tight seal around areas where drafts are a problem.

Basic Uses:

SEASON SEAL™ is commonly used around windows, doors, vents, and fans. It is easily removable and will not harm painted surfaces.

Surface Preparation:

Surface should be free from oils, loose mortar, release agents, old caulking, old paint, or other contaminants.

Cautions:

Product is **FLAMMABLE!** Vapors may cause flash fires. Keep away from heat, sparks, and open flame.

During use and until all vapors are gone: Keep area ventilated—Do not smoke—Extinguish all flames, pilot lights and heater—Turn off stoves, electric tools and appliances and other sources of ignition. **VAPOR HARMFUL.** Use only with adequate ventilation. To avoid overexposure open windows and doors or use other means to ensure fresh air entry during application and drying. If you experience eye watering, headaches, or dizziness, increase fresh air, or wear respiratory protection (NIOSH approved) or leave the area. Avoid contact with eyes and skin. Wash hands after using. Do not transfer to other containers for storage.

First Aid:

In case of eye contact, flush thoroughly with large amounts of water for 15 minutes and get medical attention. For skin contact, wash thoroughly with soap and water. If swallowed call Poison Control Center, hospital emergency room, or physician immediately.

Limitations: Do not paint.
