

TECHNICAL BULLETIN

DURA SEAL™ Trowelable Wood Filler

PRODUCT DESCRIPTION:

A safe, non-flammable, water-based product for use across an entire wood floor. This product fills nail holes and covers other minor imperfections in bare and unfinished wood. It has a fast dry time, blends and adheres well to wood, sands easily and absorbs stain similarly to wood.

WARNING! Removal of old paint by sanding, scraping, or other means may generate dust or fumes that contain lead. Exposure to lead dust or fumes may cause brain damage or other adverse health effects, especially in children or pregnant women. Controlling exposure to lead or other hazardous substances requires the use of proper protective equipment, such as a properly fitted respirator (NIOSH approved) and proper containment and cleanup. For more information, call the National Lead Information Center at 1-800-424-LEAD (in US) or contact your local health authority.

DIRECTIONS:

SURFACE PREPARATION: Surface must be free of dust, oil, wax and moisture.

APPLICATION:

1. Pour moderate amount of **DURA SEAL™ Trowelable Wood Filler** in needed area.
2. Press filler into cracks and holes using an even-edge trowel.
3. Allow to fully dry before doing final sanding.
4. Sand surface to remove excess **DURA SEAL™ Trowelable Wood Filler**.

CLEANUP: Clean with water while Wood Filler is still damp.

STORAGE: Keep containers tightly closed. Keep from freezing. If freezing occurs, thaw at room temperature for a minimum of 8 hours before using.

PHYSICAL PROPERTIES:

DENSITY (LBS/GAL):	14.0
% SOLIDS:	71.0
VISCOSITY – CPS:	640,000
pH:	8.4
VOC (g/l):	Zero
FLASH POINT:	Not Applicable

HEALTH/SAFETY:

HMIS RATING:	Health	1
	Flammability	1
	Reactivity	0

CAUTION: May cause slight irritation to individuals with sensitive skin. Wash hands thoroughly after use.

WARNING: This product contains a chemical known to the State of California to cause cancer.

KEEP OUT OF REACH OF CHILDREN. DO NOT TAKE INTERNALLY.
